**SMOKE-FREE
CITY**

IT'S A NEW DAY IN CHICAGO

Thanks to Chicago's new smoke-free ordinance, our world-class city now protects workers, residents and visitors from the dangers of secondhand smoke.

The Smoke-Free Chicago Coalition commends the Chicago City Council and its leaders for passing a comprehensive clean indoor air ordinance that will eliminate the deadly toxins caused by smoking in public places. All Chicagoans can take a deep, cleaner breath...and bow.

Lives will be saved.

Special thanks to the thousands of volunteers and supporters who joined us in this historic campaign to clear the air. Our collective voice offers a message of hope for generations to come. And that's another Chicago milestone worth celebrating.

CONGRATULATIONS, CHICAGO.
